

If your young scholar stands out in a crowd, your child could be headed to Oakwood.

A better education is more affordable than you think!

Is your child at the top of the class but you thought Oakwood was beyond your reach? Think again!

The Oakwood Scholars Program provides scholarships for top students to attend Oakwood. In addition, tuition assistance, transfer assistance and sibling discounts are also available, putting Oakwood within any young scholar's reach.

Students of every age benefit from Oakwood's combined robust academic curriculum and nurturing education environment. With specialty teachers in every subject beginning in Kindergarten, students excel. Come see for yourself how an Oakwood education can offer a rigorous academic core while developing students' intellectual curiosity, confidence and character.
